S50

FEATURES

- Wide print head compatibility
- Superior colour gamut
- Excellent Reliability
- Fast Drying
- Excellent Outdoor Durability
- Superior Image Quality
- Supported by NUtec Digital's Ink Delivery System Warranty

OVERVIEW

The Sapphire S50 is a premium, general purpose, mild solvent ink designed for use in a wide range of 42-80pl printheads such as Spectra[®], Hitachi Koki[®], Xaar[®] and Konica[®].

This fast drying ink features a superior colour gamut and offers an excellent outdoor durability of up to 24 months.

The Sapphire S50 offers a high level of press stability and is suitable for a wide range of self-adhesive and flexible substrates.

Provided the inks are used in regular applications, using suitable substrates, the printed images will last for up to two years.
